Surf Life Saving New South Wales invites nominations for the 2012 Youth Opportunity Makers Workshop. The workshop is geared towards creating greater awareness of opportunities and individual abilities in 15-17 year old members. Branches are encouraged to use this workshop as a method of recognising members who have the potential to develop skills further by working with like-minded youth.

The workshop will be sponsored by Surf Life Saving New South Wales, and held 17-20 April 2012 at the Collaroy Centre in Collaroy on Sydney Northern Beaches.

The workshop is aimed at members whose Clubs and Branches believe they have qualities that can be developed to enhance the future of the Club and Branch. Aims of the workshop include:

- To create an awareness of current issues, pathways and opportunities
- To promote teamwork, communication skills and goal setting

- Provide opportunities for ideas to be exchanged

Participants will take part in seminars, presentations and workshops for focused learning, in addition to some great fun activities and challenges.

Branches will be allocated two (2) positions in the program and should rank applicants in preferential order. Ideally one male and one female applicant per Branch will be represented. Positions not filled will be allocated to the most promising applicants from other Branches.

All applications are to be endorsed by respective Clubs and Branch Directors of Member Services and forwarded to Surf Life Saving New South Wales by **Monday 5th March 2012**, marked attention to Claire Parry. Ideally nominations will be received via email to Claire – cparry@surflifesaving.com.au
