

Kiama Surf Life Saving Club History Book

Kiama Surf Life Saving Club has a proud history in the Surf Life Saving movement and this is now in print with a publication of the Clubs historical first 100 years in Surf Life Saving. The Club was formed back in 1908 and celebrated its 100th Anniversary in 2008.

The book is the culmination of 19 years efforts by 2 of the clubs members and shows the Club through the years from the highlights and some not so highlight years since the clubs inception. I am pleased to advise that this book is now available for sale and will be distributed following the clubs launch on November 24th.

There is a hard cover and soft cover of the book available for sale, however the number of hard cover books is limited and will be sold on a first in first serve basis. Please see the Clubs order form below to order your copy now.
